ENROL FOR MARKET-RELEVANT TECHNICAL SKILLS

WELCOME TO GOT MATAR INSTITUTE OF TECHNOLOGY

Got Matar Institute of Technology provides practical, career-focused technical and vocational training designed to equip learners with hands-on skills for employment, self-employment and further professional development.

Why choose a technical career?

Technical skills open pathways into construction, manufacturing, automotive services, ICT, beauty, fashion and other growing areas of the economy. Our programmes include competency-based training, craft and artisan options, and short skills courses.

Course fee note: The tuition figures in this brochure are presented as supplied. Applicants should confirm current fees, admission requirements, intake dates and examination arrangements with the Institute before enrolment.
